

Notice Regarding Discontinuation of VLI Series (Cased Products)

Thank you very much for your continued support.

We regret to inform you that, due to circumstances including component procurement constraints, production of the **digital video line inserter “VLI Series” (cased products)** will be discontinued after the order acceptance period stated below.

Order Acceptance Conditions

- **Final order acceptance date:** December 31, 2026
- **Minimum order quantity:** Production will be accepted for orders of **10 units or more**

Details regarding the **sales price and delivery schedule** of the applicable products will be discussed separately upon request.

Please note that sales of the **standalone circuit boards for the “VLI Series”** are planned to continue. Should you require further information, please contact us.

We sincerely apologize for any inconvenience this may cause and appreciate your understanding.
